Further, on December 30, 2025, the Ministry of Labour & Employment, issued draft Central Rules and FAQs to facilitate assessment of the financial impact arising from the New Labour Codes. - 3) The Management of the Company is also responsible for ensuring that the Company complies with all the relevant requirements of the SEBI Regulations, the circular and for providing all relevant information to the Stock Exchange.

Auditor's Responsibility

- 4) Pursuant to the requirements of the SEBI Regulations and the circular, it is our responsibility to provide a limited assurance as to whether as at December 31, 2025, the Company has maintained security cover as per the terms of the Information Memorandum / Placement Memorandum and Debenture Trust Deeds.
- 5) We have carried out limited review of the unaudited Standalone financial results of the Company for the quarter and nine months period ended December 31, 2025 and issued an unmodified conclusion vide our report dated January 20, 2026. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Further, we have not audited any financial statements of the Company as of any date or for any period subsequent to December 31, 2025.

- 3 -

- 6) We conducted our examination in accordance with the Guidance Note on Reports or Certificates for Special Purposes issued by the Institute of Chartered Accountants of India. The Guidance Note requires that we comply with the ethical requirements of the Code of Ethics issued by the Institute of Chartered Accountants of India.
- 7) We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1, Quality Control for Firms that Perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Services Engagements.
- 8) A limited assurance engagement includes performing procedures to obtain sufficient appropriate evidence on the applicable criteria, mentioned in paragraph 5 above. The procedures performed vary in nature and timing from and are less in extent than for, a reasonable assurance engagement. Consequently, the level of assurance obtained is substantially lower than the assurance that would have been obtained had a reasonable assurance engagement been performed. Accordingly, we have performed the following procedures in relation to the Statement:
- (a) Obtained and read on a test check basis, the Debenture Trust Deeds and the Information Memorandum in respect of the secured Debentures and noted the particulars of security cover and the security cover percentage required to be maintained by the Company in respect of such Debentures, as indicated in the Statement.
 - (b) Traced and agreed the principal amount of the Debentures outstanding as at December 31, 2025 to the financial results referred to in paragraph 5 above, and the books of account maintained by the Company as at quarter and nine months ended December 31, 2025.
 - (c) Traced the book value of assets indicated in the Statement to the financial results as at and for the quarter and nine months ended December 31, 2025 referred to in paragraph 5 above and other relevant records maintained by the company.
 - (d) Obtained the list of the security cover maintained by the company. Traced the value of charge created against assets to the asset cover.
 - (e) Obtained the list and the book value of assets placed under lien or encumbrance for the purpose of obtaining any other loan and determined that such assets are not included in the calculation of security cover in respect of the Debentures on a test check basis.
 - (f) Examined and verified the arithmetical accuracy of the computation of security cover indicated in the Statement.
 - (g) Performed necessary inquiries with the Management and obtained necessary representations.

Conclusion

- 9) Based on the procedures performed by us, as referred to in paragraph 8 above and according to the information and explanations received and Management representations obtained, nothing has come to our attention that causes us to believe that;
- a) The computation of security cover available for debenture holders contained in the statement is not in agreement with the unaudited books of accounts and other relevant records and documents maintained by the Company.
- b) Security cover available for debenture holders is not 100% or not more than the cover required as per Offer Document/ Information Memorandum in respect of listed debt securities.

Restriction on Use
